TECHNICAL SPECIFICATION OF GLODOOR – SOLID MOULDED PANEL DOORS

Features :

- These Cold Pressed Doors are made from Rigid PVC Coated Plywood Door Skin. Here Moulded Rigid PVC Skins are first manufactured by us in different Designs & Colours as per Order which is then Sticked on 100% Waterproof Plywood of thickness 3mm, with FRP done in its Moulding Area and around the Moulding area covering almost 1 inch (approx.).
- The Filler used in the backside of Moulding Areas is the High quality Fibre Glass, whereas inside the Moulding Areas filler used is Pre Laminated Particle Board & in the rest of the areas except Moulding areas, the Filler used are the Pine Wood Fillers. This Door is Covered with 1.5 inches Pine Wood Frame around all the four sides.
- Available in 3 Different Varieties –
 - ❖ OSL – One Side Moulded & Back side Plain Plywood which requires Polish / Paint to be done on it.
 - ❖ OSL / PVC – One Side Moulded & Backside same Colour Plain PVC with no need of Polish / Paint to be done.
 - ❖ BSL – Both Side Moulded i.e. there will a Moulding Designs on Both the Side with no need of Polish / Paint.
- To extend its Durability, one can use the Edge Bending Strips or Leaping Patti readily available in the market to Cover it's Edges from all the 4 Sides.
- Available in all the Sizes as per demand with the Minimum of 70 inches x 26 inches upto the Maximum of 82 inches x 35 inches and can be Cutted upto 1 inch from each side considering the four sides.
- For detail information about the Sizes of the Panel Designs, please have a lookover the Line Drawing Layout given in the Master Catalogue.
- Thickness available is 30mm and may vary as per demand.
- Available in 4 Different Designs - Single Panel, 2 Panels, 3 Panels & 4 Panels respectively with 4 Different Colours - Canadian Pine, Rose Wood, Steam Beach & River Teak respectively which matches with almost all the Interiors.
- Recommended to use as a Bed Room Doors and Indoor area of the House, as this door is only for Interior purpose & should not be directly expose to sun.
- Per Packet 02 Doors, so Order should be placed in Multiples of 2.
